

Survey Responses

Table ordered by popularity

Generalised aspect	No. of responses
Desire for community pub/MTAP/additional aspects of STRAP model	57
Doubts/disbelief that the CW model will succeed as laid out / it'll fail	54
Belief that CW have longer term plans for the site/delaying tactic/develop later	48
Dislike/distrust/disappointment in CW and their methods / underhanded etc	46
Well done to the STRAP committee/project	31
The reopening of the pub can be seen as an achievement / happy it'll open	29
Desire for STRAP to continue fighting / keep going / not over yet	21
Wish for traditional pub / non gastro pub i.e. not CW 'affluent' target	15
Believe CW reopening is prompted by STRAP campaign / we've made it happen	13
Happy that it won't (immediately) be housing	9
Happy for investment to be kept	8
Use money for different project e.g. PuP, buy alternative etc	6

244 responses to the question:

Which one of these statements most closely reflects your reaction to Charles Wells' plan for the Railway Arms?

- A: I am very pleased that Charles Wells have decided to reopen the Railway Arms and I intend to visit the pub regularly.
- B: I am somewhat disappointed that the Railway Arms would not be a Community Owned Pub but pleased that the owners are reopening the pub and I will visit it regularly.
- C: I am disappointed that the Railway Arms would not be a Community Owned Pub but I will still visit the pub occasionally.
- D: I am very disappointed that the Railway Arms would not be a Community Owned Pub and I will not support the pub as planned.

E: I am supportive of your campaign, but am unlikely to visit the pub either way.
